**STATEMENT OF SUBSTANCE OF EXAMINER INTERVIEW**

Dear Sir:

This Statement of Substance of Examiner Interview is submitted in response to the Office Communication mailed November 18, 2005.

Applicants thank the Examiner for the courtesy of an interview with Applicant's General Counsel, Patricia A. Davis, and Applicants' representatives, Thomas J. Engellenner and Reza Mollaaghababa, at the United States Patent and Trademark Office on November 10, 2005.

Amendments to independent claims 1, 22, and 44 (previously submitted in the November 2, 2005 Response to the Office Action dated June 2, 2005) were discussed in light of the art of record. The Examiner concluded that the proposed claim amendments distinguish over the art of record, but that a further search will be conducted.

**CONCLUSION**

In the event that the amendments and remarks are not deemed to overcome the grounds for rejection, the Examiner is kindly requested to telephone the undersigned representative to discuss any remaining issues.

Respectfully submitted,

NUTTER McCLENNEN & FISH LLP
